CAFE gathers the Urbantime chairs, stools and bar tables - the range the 2026 Listino Urbantime prints under the heading Contract. Article numbers in this book are the Urbantime factory article numbers exactly as printed there, so a US purchase order and a factory order carry the same code. Prices are US dollars, list, and include freight.

CAFE

Eclipse Wire

DESIGN Angelo Pinaffo

DESCRIPTION

A continuous line, curved like the elliptical orbits of the planets, makes a clean and essential seat that reads as pure lightness. Eclipse, with its vintage appeal, is the chair for an outdoor bar or a garden - a unique and recognizable design made to furnish with style.

TECHNICAL DETAILS

Material Composition	Assembly	Stacking	Warranty
Steel wire with zinc primer, finished with matte polyester powder coat colors.	Product ships fully assembled.	Chair stacks 4 high (35.4") or 8 high (45.3"). Stool stacks 4 high (45.3"). Chair rated to 143 lb.	5 year.

DIMENSIONS

Chair 21.3" w x 21.7" d x 32.3" h, seat height 17.3", 12.1 lb · Stool 20.5" w x 21.7" d x 38.2" h, seat height 28.0", 16.5 lb

CAFE Eclipse Wire / Configuration

THE SEAT

A single continuous steel rod, bent into an elliptical profile, forms both the seat and the back. There is no upholstery and nothing to remove for winter.

SIZES

Chair 21.3" wide x 21.7" deep x 32.3" high, seat at 17.3". Stool 20.5" wide x 21.7" deep x 38.2" high, seat at 28.0".

STACKING

Chairs stack 4 high to 35.4", or 8 high to 45.3". Stools stack 4 high to 45.3". Stacking is what makes the chair practical for a cafe terrace that clears at closing time.

FINISH

All thirteen finishes are available on both pieces. Jet Black, Anthracite and Signal White are the base finishes; the remaining nine RAL colors and Corten Effect carry the standard upcharge shown in the price list. Anthracite is a micaceous finish.

TECHNICAL DRAWING

Eclipse Wire: A chair, B stool. Technical drawing reproduced from the 2026 Listino Urbantime. Dimensions are in inches; weights in pounds.

CAFE

Libra Wire

DESIGN Sandonà Bettini

DESCRIPTION

A balanced, well-proportioned family, designed by Sandonà Bettini. The outdoor version is characterised by a double steel rod which, through its repetition, gives high ergonomics without a cushion. Libra, the harmony of sitting.

TECHNICAL DETAILS

Material Composition	Assembly	Stacking	Warranty
Steel wire with zinc primer, finished with matte polyester powder coat colors.	Product ships fully assembled.	All three chairs stack. The factory does not publish stack counts for this family.	5 year.

DIMENSIONS

4-Leg Chair 18.9" w x 22.0" d x 31.7" h · 4-Leg Chair with Armrests 21.7" w x 21.7" d x 31.7" h · Skid Chair 18.5" w x 21.7" d x 31.7" h (18.7 lb) · Seat height 18.1" throughout

CAFE Libra Wire / Configuration

THREE FRAMES, ONE SEAT

The same double-rod seat sits on three different frames: a four-leg chair, the same chair with armrests, and a skid frame. Seat height is 18.1" on all three, so they can be mixed around one table.

SIZES

Four-leg chair 18.9" x 22.0" x 31.7". With armrests 21.7" x 21.7" x 31.7". Skid chair 18.5" x 21.7" x 31.7", 18.7 lb.

ERGONOMICS

The doubled rod is the point of the design - it spreads the load across more contact points, which is what lets the chair be comfortable without a cushion. Nothing to store, nothing to get wet.

FINISH

All thirteen finishes are available on all three chairs, on the same base and upcharge tiers used throughout this book.

CAFE

Busy

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Form follows function. The polka-dot seat is made by subtracting circles from a sheet of aluminum, which keeps the chair light and easy to handle and stops water sitting on the seat outdoors. The moulded aluminum monocoque is wrapped around the steel rod by a purpose-built process.

3 Note: the article number for this row is printed in the 2026 Listino Urbantime as BUTF023852A92 and is reproduced here exactly as printed. It repeats the Light Blue root and appears to be a misprint for BUTF023892A92. Confirm with Urbantime USA before ordering.

CAFE Busy / Configuration

THE SEAT

The perforated aluminum shell is the whole idea: lighter to carry, and water runs straight through it rather than pooling on the seat. That is what makes an aluminum seat viable on an outdoor terrace.

STACKING & THE TROLLEY

Chairs stack 15 high to 44.3". On the trolley (FOCR10F90) they stack 30 high to 75.6", and the trolley is rated to 772 lb - one person can move thirty chairs. Stools stack 15 high to 54.7".

SIZES

Chair 21.3" x 22.0" x 33.3", seat at 18.1". Stool 21.3" x 24.2" x 43.7", seat at 28.7". The arm versions add 1.1" of width.

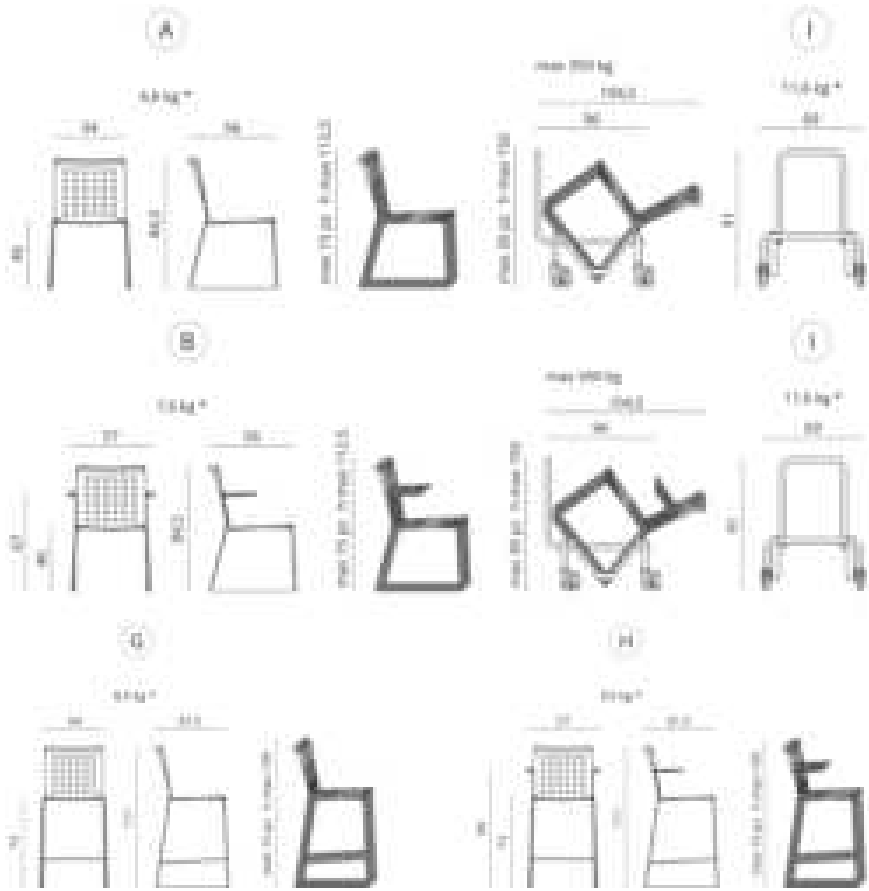

ONE CODE TO CHECK

The Black stool-with-arms code prints in the listino as BUTF023852A92, which repeats the Light Blue root. It is reproduced here as printed and flagged; it appears to be a misprint for BUTF023892A92.

FINISH

All thirteen finishes are available on the four seats. The trolley is supplied in Jet Black only.

Oreka

DESIGN R&D Diemmebi

DESCRIPTION

Oreka is a folding table whose lightness allows an almost infinite number of combinations. The top tips up so the tables nest against one another, which is what lets a terrace be cleared and stored in a fraction of its open footprint.

TECHNICAL DETAILS

Material Composition	Assembly	Minimum Order	Warranty
Sendzimir galvanized steel tube with matte polyester powder coat colors. Galvanized metal top.	Components easy to assemble (RTA).	Two tables. The factory will not supply a single Oreka table.	5 year.

DIMENSIONS

All three take the same 27.6" diameter top · 3-Leg 29.5" high, base 21.3" x 24.4" · 4-Leg 29.5" high, base 28.3" square · 4-Leg High 41.7" high, base 28.3" square · Folded height 43.3" (high table 55.5")

NOTE

Each table is priced as a frame plus its top - both article numbers are shown in the Product Code column and both are required. The tip-up or fixed mechanism is ordered separately (page 17).

CAFE Oreka / Configuration

WHAT YOU ORDER

Each Oreka is two article numbers - the frame (OKTV..) and the top (OKTO10F..) - plus a mechanism. The price shown covers the frame and the top together; the mechanism is separate.

TIP-UP OR FIXED

The tip-up mechanism lets the top fold to vertical so the tables nest; the fixed mechanism holds the top down. Choose one per table.

SIZES

One 27.6" diameter top serves all three frames. The 3-leg and 4-leg frames stand 29.5" to the top surface; the high frame stands 41.7". Folded, they measure 43.3" and 55.5" respectively.

MINIMUM ORDER

Two tables. This is the factory's condition, printed on the listino page, and it applies to the US list as well.

FINISH

All thirteen finishes are available on the frame and top. The mechanisms are supplied in one finish only.

LEG.03 + LEG.04

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Versatility, lightness and simplicity characterise the LEG bar tables - an elegant outdoor solution with minimal lines, here with the legs joined to an HPL top through a die-cast aluminum joint.

TECHNICAL DETAILS

Material Composition	Assembly	Stacking	Warranty
Steel tube with matte polyester powder coat colors. Die-cast aluminum joint. HPL top.	Components easy to assemble (RTA).	Stacks up to 10 high.	5 year.

DIMENSIONS

LEG.03 23.2" diameter top x 28.7" high, 23.0 lb · LEG.04 27.2" square top x 28.7" high, 27.0 lb

NOTE

LEG is the one range in this book that is not offered across the thirteen standard finishes. The factory lists four leg colors, each with a white HPL top; they are shown in full in the price list. Each table is priced as legs, fixings and top together - all three article numbers are required.

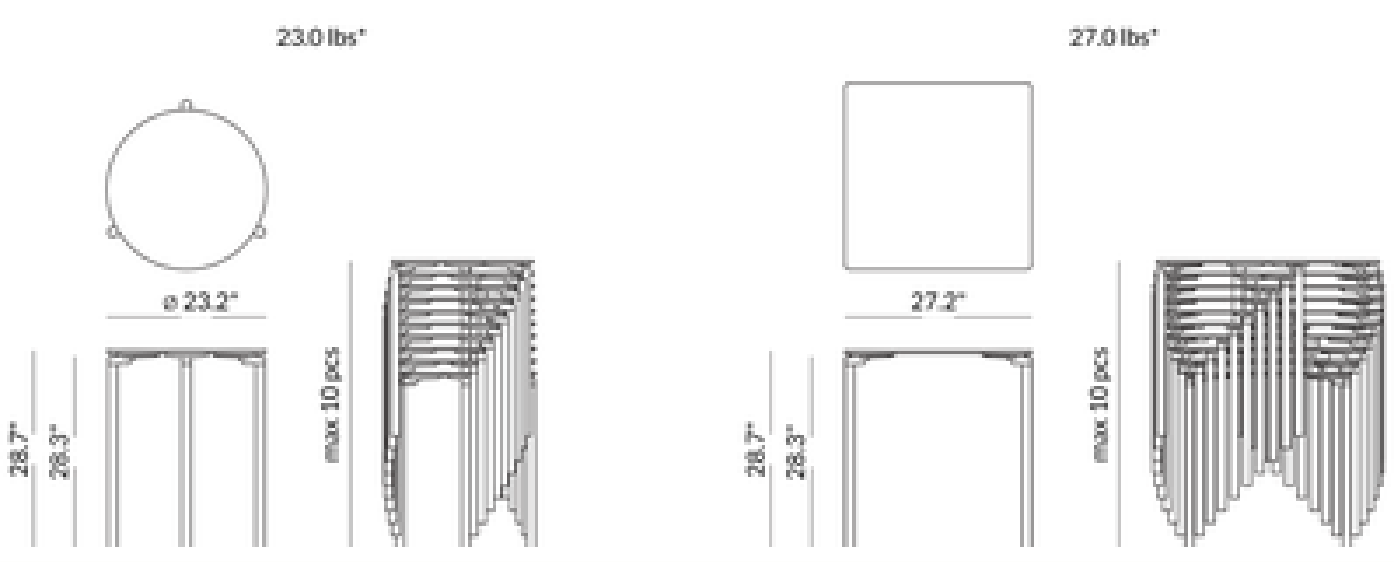

Notes: Freight is included in the price listed. | Prices are US dollars, list. | * Product weight does not include packaging.

1 Note: Custom RAL colors require additional testing & approval, extended lead times, minimums & additional costs. Contact Urbantime USA for details.
2 Note: Custom-color article numbers - shown in italics, ending 00 - are proposed and have not yet been issued by the factory. Confirm the code with Urbantime USA when ordering. Every other article number in this book is the Urbantime factory article number as printed in the 2026 Listino Urbantime.
Each price covers the legs, the fixing pack and the top - all three article numbers are required. The HPL top is FSC certified.
The factory prices a White top on Black or Anthracite legs at one figure and on White or Coral Red legs at another on LEG.03, but prices White legs at the base figure on LEG.04. Reproduced as printed.

TECHNICAL DRAWING

LEG.03 (round, A) and LEG.04 (square, B), with stacking. Technical drawing reproduced from the 2026 Listino Urbantime. Dimensions are in inches; weights in pounds.

CAFE LEG.03 + LEG.04 / Configuration

WHAT YOU ORDER

Each LEG table is three article numbers - the legs, a pack of fixings and the top. All three are required, and the price shown covers the complete table.

TWO TOPS

LEG.03 takes a 23.2" round HPL top on three legs; LEG.04 takes a 27.2" square top on four. Both stand 28.7" high, which is dining height, not bar height - the name refers to the leg count, not the table height.

STACKING

Both tables stack up to 10 high, which is what makes them practical for a terrace that is cleared nightly or a venue that flexes between layouts.

THE TOP

The HPL top is FSC certified - the only FSC mark in this book. It is supplied in white on every leg colour.

FINISH

LEG is the one range here that is not offered across the thirteen standard finishes. Four leg colours are listed: Black, Micaceous Anthracite, Coral Red and White. Note that the factory prices White legs above Black on LEG.03 but level with Black on LEG.04; both figures are reproduced as printed and the inconsistency is flagged for Diemmebi.

Moontable

DESIGN R&D Diemmebi

DESCRIPTION

The rhythm of the moon's phases has guided humanity for millennia. Moontable pairs one set of legs with whichever top you prefer - two sizes, two heights, thirteen finishes. Top and legs are packed separately to optimise shipping.

TECHNICAL DETAILS

Material Composition	Assembly	Packing	Warranty
Steel tube with matte polyester powder coat colors. Galvanized steel top with matte polyester powder coat colors.	Components easy to assemble (RTA).	Top and legs are packed separately, which is what keeps the freight sensible on a table this size.	5 year.

DIMENSIONS

Low tables 28.8" high · High tables 39.8" high · Tops 31.5" x 31.5" or 55.1" x 31.5" · 47.4 - 65.0 lb (low), 62.8 - 81.6 lb (high)

NOTE

Each table is priced as four glides, four legs and one top - all three article numbers are shown in the Product Code column and all are required.

CAFE Moontable / Configuration

ONE LEG, FOUR TABLES

The same leg pairs with either top size at either height. Low legs (MTGT10F) give a 28.8" dining height; high legs (MTGT20F) give a 39.8" bar height. The glide, MTGN10F03, is common to all four.

WHAT YOU ORDER

Four glides, four legs and one top - three article numbers, all required. The price shown covers the complete table.

SIZES

Tops are 31.5" square or 55.1" x 31.5". Low tables stand 28.8" high, high tables 39.8".

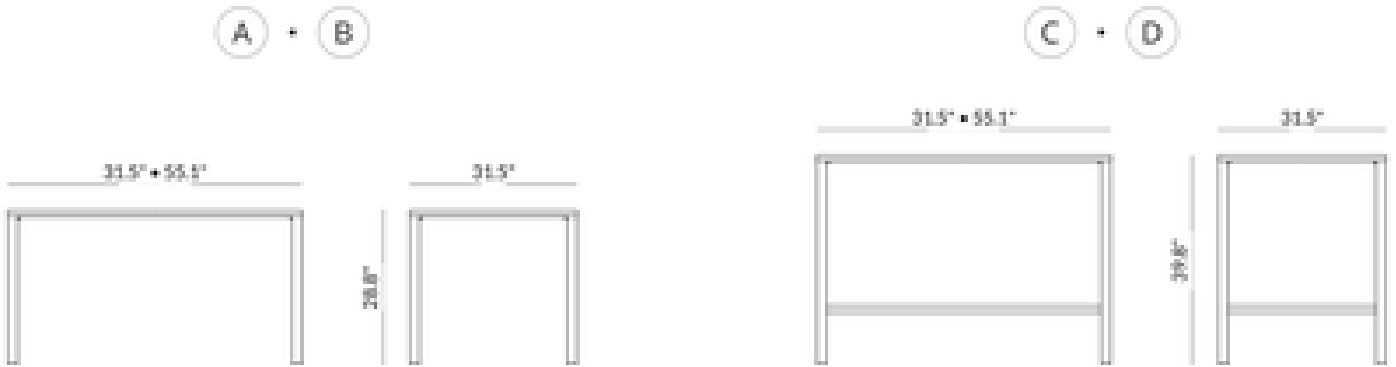

PAIRING

A high Moontable at 39.8" pairs with the Busy stool (seat at 28.7") and the Eclipse stool (seat at 28.0"). A low Moontable at 28.8" pairs with any chair in this book, all of which seat at 17.3" to 18.1".

FINISH

All thirteen finishes are available on all four tables.

TECHNICAL DRAWING

Moontable: A and B the low tables, C and D the high tables. Technical drawing reproduced from the 2026 Listino Urbantime. Dimensions are in inches; inch equivalents are given above.
