CORTINA.026

Flat Benches

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Designed with purposeful restraint, the Cortina.026 flat benches pair vibrant expression with the spatial intelligence required of modern urban environments. Its durable, stackable steel construction provides a versatile canvas for architects to cultivate functional, welcoming community spaces indoors and out. Stacks 6 high on the ground.

TECHNICAL DETAILS

| Material Composition                                                     | Assembly                       | Ground-Fixing                                                                                                               | Warranty |
|--------------------------------------------------------------------------|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------|----------|
| Sendzimir galvanized steel tube with matte polyester powder coat colors. | Product ships fully assembled. | Requires metal anchor plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors. | 8 year.  |

CORTINA.026

Benches with Backrests

DESIGN Basaglia + Rota Nodari

DESCRIPTION

With its understated profile and supportive backrest, the Cortina.026 bench transforms utilitarian steel into an intuitive sanctuary for everyday pause. Designed for seamless modularity and expressive color, it offers architects a versatile tool to cultivate warm, enduring community spaces. Stacks 6 high on the ground.

TECHNICAL DETAILS

| Material Composition                                                     | Assembly                       | Ground-Fixing                                                                                                               | Warranty |
|--------------------------------------------------------------------------|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------|----------|
| Sendzimir galvanized steel tube with matte polyester powder coat colors. | Product ships fully assembled. | Requires metal anchor plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors. | 8 year.  |

CORTINA.026

Tables

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Scaled for versatile human interaction, the Cortina.026 tables translates a sharp architectural clarity across three distinct dimensions. Designed by Basaglia + Rota Nodari, its stackable, hot-dip galvanized steel frame offers a resilient yet understated foundation for everything from intimate outdoor study nooks to expansive civic plazas. Stacks 6 high on the ground.

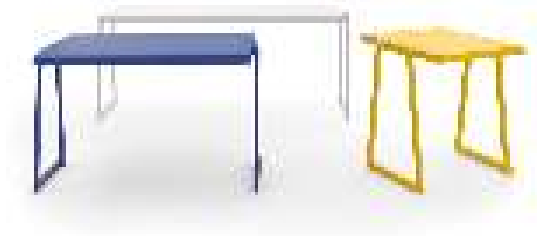

TECHNICAL DETAILS

| Material Composition                                                     | Assembly                       | Ground-Fixing                                                                                                               | Warranty |
|--------------------------------------------------------------------------|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------|----------|
| Sendzimir galvanized steel tube with matte polyester powder coat colors. | Product ships fully assembled. | Requires metal anchor plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors. | 8 year.  |

CORTINA.026

Ground-Fixing Brackets

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Engineering permanence into public spaces, the Cortina.026 ground brackets offer a seamless, unobtrusive anchor for the entire collection. Finished to match the primary steel frame, these precise hardware elements secure open-air installations against high-traffic demands while maintaining the furniture’s light, architectural expression. Sold as a set of 2.

CORTINA.026

Litter Bins

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Conceived as a natural extension of the Cortina.026 landscape, this robust litter bin balances functional rigor with clean, graphic clarity. Its weather-resistant steel structure pairs precision-crafted stainless steel labels and integrated lid accessories, allowing planners to seamlessly tailor waste and recycling stations to any outdoor environment.
