Cube Chairs & Stools

DESIGN Basaglia + Rota Nodari

DESCRIPTION

The most minimal element in the collection, reduced until only the essential remains: the classic stave reworked into a form simple enough to disappear into any setting, distinct enough to be recognized in it. Equally at home as a stool or a seat, it holds its ground in any grouping without ever needing to announce itself.

TECHNICAL DETAILS

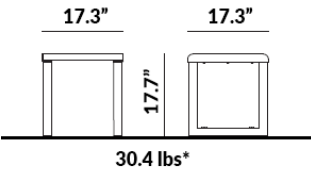

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

COLORS & FINISHES

Flat Benches

DESIGN Basaglia + Rota Nodari

DESCRIPTION

The essence of the collection distilled to its simplest form, a plane of hot-dip galvanized steel and aluminium slats with nothing left to remove. Maintenance-free and fully recyclable, it holds to the belief that the most honest design is also the most responsible.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

VENTIQUATTRORE.h24

Benches with Backrests

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Classic proportions rendered in a decidedly contemporary material, the .h24 Bench with Backrest takes the archetype of the park bench and rebuilds it in hot-dip galvanized steel and aluminium slats. Maintenance-free and ready to hold its line through decades of use, it earns its place in a public space the way only well-made things do.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

Double Seat Benches with Backrests

DESIGN Basaglia + Rota Nodari

DESCRIPTION

A modern and dynamic reading of a familiar form, the .h24 Double Seat with Backrest gives two people the same considered comfort as one, built to surprise as easily as it settles into a space. Cast in hot-dip galvanized steel and aluminium slats, finished in colour or a natural ash grain, it brings a touch of class to unusual settings and turns a simple seating gesture into something worth pausing for.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA). Tables

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Reduced to its simplest expression, a plane of hot-dip galvanized steel and aluminium slats designed to work in company rather than alone. Free-standing on wide legs, or paired with the collection's benches on a standard leg, it lets a single table become the anchor for however many people the day requires.

TECHNICAL DETAILS

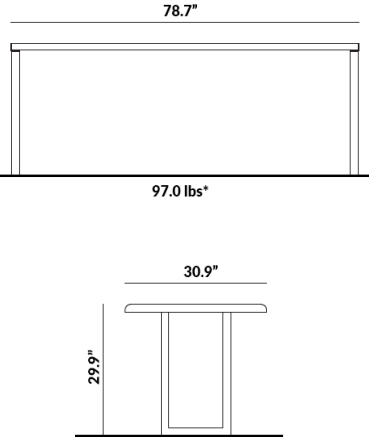

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

Table-to-Bench Bracket Connections

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Linked by open bars rather than closed panels, the .h24 Table with Integrated Benches trades bulk for a lighter, more welcoming steel and aluminium slats, and free to sit lightly on the ground or be permanently fixed to it, the piece proves that accessibility and architectural clarity were never meant to be at odds.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

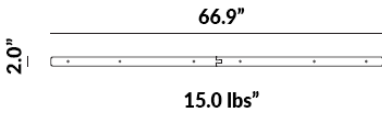

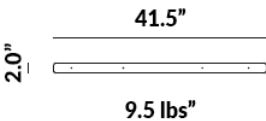

COLORS & FINISHES

Models: UT24AG35F.. (x1),
UT24PNF..60A.. (x1), UT24TVF..00A.. (x1).

VENTIQUATTRORE.h24

Picnic Tables

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Table and integrated bench cast as a single hot-dip galvanized structure, its aluminium slats finished in color or wood grain print, built for the kind of gathering that has always happened outdoors and needs no reinvention. Ground-fixed or joined edge to edge into longer runs for schools, campuses and open-air dining, it scales from one table to a whole landscape without losing the informality that made it worth designing in the first place.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

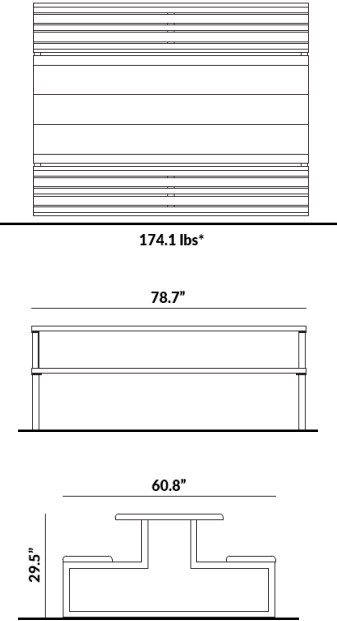

COLORS & FINISHES

Miama Sun Shade

DESIGN Basaglia + Rota Nodari

DESCRIPTION

A single linear frame holds a wide plane of shade, its technical fabric filtering 98% of harmful UV without asking for anything more than the light it was built to hold back. Fitted to mount to the short side of every table in the .h24 collection.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework with matte polyester powder coat colors. UV-stabilized, HDPE mesh sun shade.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

Swing

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Structure built to last forever, form light enough to move. The h24 Swing reinterprets a memory held by us all, a piece meant to hold your weight while it sets you gently in motion. Fully recyclable and finished for wood grain or tone-on-tone, it moves as easily indoors as out, built for spaces that ask furniture to do more than sit still.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats.	Some assembly required (#RTA).	Must fasten to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.*	8 year.

Chaise Lounge

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Cast in hot-dip galvanized steel and hand-finished aluminium, the .h24 Chaise Longue resolves poolside repose into pure architectural line, the product of long study into how the body actually wants to rest. Arranged in sequence, individual pieces gather into a single undulating gesture, turning a villa terrace or wellness deck into a landscape composed, not furnished.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel tube framework & slats in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on slats. Fire retardant simil leather pillow.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

COLORS & FINISHES - CHAISE LOUNGE

Planters

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Galvanized steel and hand-finished aluminium slats hold their ground so that something softer can take root. Explore planters that treat greenery not as an accessory to public space, but as its quiet reason for being. Specified by architects who understand that the most enduring landscapes are the ones built to outlast a season.

TECHNICAL DETAILS

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel metal sheet framework & sides in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on sides. Plastic internal container.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates. For anchoring to a hard surface, we recommend M8X90/30 stainless steel or galvanized anchors.	8 year.

Litter Bins

DESIGN Basaglia + Rota Nodari

DESCRIPTION

Composed to belong on the street it serves, the .h24 Litter Bin pairs a hot-dip galvanized frame with hand-finished aluminium slats. Sturdy enough to disappear into daily use, refined enough that no one minds it staying in view. Part of a coordinated system with the .h24 bench and planter, it lets architects specify utility without ever sacrificing the line of a well-considered plan.

TECHNICAL DETAILS

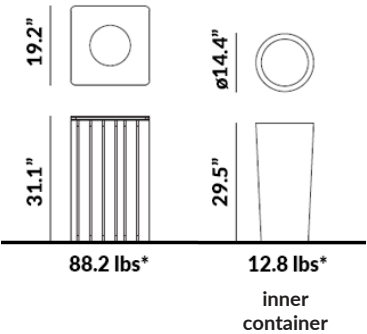

Material Composition	Assembly	Ground-Fixing	Warranty
Hot-dip galvanized steel metal sheet framework & sides in aluminum. Matte polyester powder coat colors. Optional heat-transfer film for a wooden effect on sides. Plastic internal container.	Some assembly required (#RTA).	Ready-equipped for fastening to the ground with bolts or connection with metal plates.
